

# Philosophy Forum

Presented by  Baze  
CHIROPRACTIC

**“Chiropractic without philosophy is like... fire without fuel.”**

The Philosophy Forum is a place to reinvest your spirit into that which gives our profession its purpose. This month's presentation satisfies requirements for Washington State continuing education credits in the category of Philosophy.

Please come, learn, share, and enjoy.

**Dr. Dean DePice**, a practicing chiropractor since 1987, has been serving the profession as well as his patients for his entire career. He founded TLC4Superteams, with a conviction to provide a unique design of individualized practice coaching and accountability. TLC is redefining coaching for chiropractors. Dr. DePice is an experienced international lecturer, practice coach, CCE presenter, and contributor to the entire chiropractic profession.

His track record of unparalleled results lies in his consistent execution of delivering an ideal balance in personal and procedural development, and integration of science and philosophy into practical patient applications. Building team driven practices, cash practices and lifetime care are all cornerstones of TLC coaching. Experience Dr. Dean and how TLC is redefining coaching for chiropractors.

The title of the talk will be “Miracles, Momentum, & Money”.
