

First of all....Welcome to the TLC Family!!!!

My name is Melissa Dziczek and I have been with TLC team for over a year now. Before I came to work for TLC, I was a dedicated CA for one of our outstanding coaches. I juggled many hats in my days as a chiropractic assistant, so I know what it's like. I fell in love with chiropractic a good 10+ years ago and haven't looked back since.

I am your Outside Events Coordinator here at TLC. If you would like Dr. Dean to speak at your event, organization, or school...I'm your girl! You can also catch me running the products table at TLC Events.

My hope and wish for you is growth with an experience unlike any other. If there is anyway that I can enhance your time with us, please let me know.
