

GLOCAL 2022 EVENT

New Hampshire Glocal Event

Awakening Chiropractic. Join us in New Hampshire at a 10+ year TLC iconic practice. Home to 3 full time chiropractors and many CAs who all take ownership of the practice community through continual training in TLC procedures and engagement in our TLC family.

Friday of seminar will focus on you observing live patient care adjusting hours, hiking on nearby beautiful trails then sharing a delicious meal together. Then prepare to be part of our annual Optimal Healers dinner event.

All this before our Saturday filled with TLC promotional procedures delivered live to us from all 6 glocal locations.

Georgia Glocal Event

Eaton Chiropractic. Use the park across from the office with a walking trail - raise money during a community walk/run organized by Eaton Chiropractic as an opportunity to anchor what we do best at which is bringing the community together to live our statement of desire. There will be patient care hours to observe in addition to the home cooked meal prepared by Dr Cris' sister.

We are going to do a meet up at 5pm and then run walk at 6pm Friday and then gather from 7-9 for food and fellowship

- Loretta and Chris are going to BBQ

Then on Saturday we will live stream all the TLC Glocal locations in order to give everyone a chance to teach and demonstrate how to attract more people to our practices.

Pennsylvania Glocal Event

TLC Chiropractic is the iconic HQ of TLC. You will witness TLC procedures from the Veterans Community Appreciation Day to the smaller patient care moments observed with patients in real time. There will be time to observe and more time ask questions and reflect on your observations. We are planning on filling two hours of patient care so that you might be immersed in the delivery of patient care in pure TLC style.

Enjoy time of fellowship eating and hiking on nearby trails together all on Friday.

Saturday you will be able to participate in the TLC promotional procedures that bear fruit.

GLOCAL 2022 EVENT

Ohio Glocal Event

Brown Chiropractic is the iconic family practice in a rural setting. Join us for patient care hours that you can engage and witness TLC procedures that help to bear the fruits of a 100+ PVA TLC Gold standard practice.

After patient hours on Friday you will enjoy fellowship time as we either Hike or bowling and eat. Then a possible Q & A - What works with 5 or 6 practices

Then we will prepare for the patient testimonial night where we will be immersed in living out TLC procedures.

Colorado Glocal Event

Heart & Hand Chiropractic is an iconic TLC practice where you will be part of two hours of patient care, then off to hike/bike on nearby trails. And then a picnic lunch share a great time of fellowships and take aways from the live patient care experience.

Then Friday night we will gather to experience the Dinner Vitality event. This will be the perfect chance to witness a veteran TLC practice do what they do and what works and it does not get better than being at one of Dr Ryan's dinner vitality events.

Utah Glocal Event

Chiro4kids and Families are all about babies, kids and families getting adjusted together. Join us for 2 hours of patient care with two doctors engaging in excellent patient care. Then we will go on a hike with a picnic lunch. This time of fellowship is how we always grow.

Friday PM will be a kids centered specialty workshop.

Community Event -

- Kids Safety - doing something for a fundraiser, that could include adjusting patients, and might make the patient care portion longer, 2-6ish. (our normal afternoon hours).

OR

- Operation Railroad - We are looking into having their CEO or PR rep come and speak to our community and have us be a part of that. Operation Underground Railroad is fairly well known in our area (it was started by a guy from Salt Lake City). This would be done at night 7-9ish at a local auditorium. We would sponsor the event and be of assistance as needed.

Fun/fellowship activity

- Hike and lunch on the trail then
- Patient Care
